**Subject:** Leviathan Mine - Final Baseline Human Health Risk Assessment Work Plan Revision 2 – Task Sampling And Analysis Plan For Bioaccessibility Testing

Lynda,

On behalf of Atlantic Richfield, Amec Foster Wheeler is submitting the Final Baseline Human Health Risk Assessment Revision 2 – Task Sampling and Analysis Plan for Bioaccessibility Testing, Leviathan Mine Site, Alpine County, California. Hard copy to follow.

This document is available for immediate download on the Leviathan Mine SharePoint Site via the following hyperlinks:

Due to the large file size, and varying download speeds of the individual SharePoint Site users, we have posted this document to the SharePoint Site in two different ways:

- a) For those with fast internet connections, we have posted the file as one single PDF document. This document is in the file folder labeled “Large File Version” at the end of the file folder name.
- b) For those with slower connections, we have segmented the document into file sizes of approximately 15MB or less. This version of the document is in the file folder labeled “Multiple Small File Version.”

This document is stored on this [site](#). Click here to directly access the [folder](#) where these folders/documents are stored. Click on the links below to access each folder/document individually:
